

2 bedroom end of terrace Walton On Thames

£450,00

NEW BUILD Two double bedroom end of terrace property finished to a very high specification. Situated along a quiet crescent located within walking distance to both Walton on Thames town centre and Hersham Train Station.

The open plan layout on the ground floor with bi-fold doors leads to the private rear garden providing the perfect indoor-outdoor flow for family living and entertaining. The kitchen is fitted with integrated appliances including fridge/freezer, stainless steel gas hob and oven, washing machine and dishwasher set within a range of base and eye level modern grey handleless units and finished with a light quartz countertop. There is also the added convenience of a downstairs W/C.

Upstairs offers a master bedroom with Juliette balcony overlooking the rear garden, a second double bedroom and family bathroom fitted with a modern three-piece suite with a shower over the bath. Both bedrooms are fitted with grey upright radiators which adds to the overall modern feel of the property and provides additional wall space often taken up by traditional radiators.

The rear garden has been landscaped to provide a paved seating/dining zone and the remaining area laid to lawn. There is both side and rear access to the garden and hard standing behind the rear fence line which could be utilised as off-street parking for two cars, alternatively there is an option to enhance the property's value by adding a garage or studio space (subject to the usual planning consents).
